

**LIVING WITH HOPE**

*Stop alvleesklierkanker*

## **Living With Hope research grants**

### **Terms and conditions**

- The applicant is younger than 36 years of age (on the date of the application deadline) and of Dutch nationality.
- The proposed research project focuses on pancreatic adenocarcinoma or any other type of malignant pancreatic tumor.
- Fundamental, translational and/or clinical biomedical research, but also research focused on pancreatic cancer patient psychology or education are considered.
- Living With Hope stimulates exchange of knowledge internationally. Applicants who propose to perform (part of their) work at international research institutions are given preference, however this is not an absolute prerequisite.
- The application is written in English.
- Grant funds will be individual and cannot be transferred.
- The grant must be used in accordance with the applicant's budget.
- The proposed research project should start within 12 months of the date of notification of the grant.
- Research grantees agree to attend the grant ceremony and will present their research project by vlog or live presentation. They will write a short summary of their research project for publication at [www.livingwithhope.nl](http://www.livingwithhope.nl).  
Within a year after the start of the project, research grantees will write a short summary of their general experience and research results, and will make it available for online publication at [www.livingwithhope.nl](http://www.livingwithhope.nl).
- The applications are reviewed and scored by the independent Scientific Advisory Board and grants are awarded based on their recommendation.
- If a Scientific Advisory Board member is directly involved in the proposed research, he or she will be excluded from the review process.
- If the proposed project will for any reason not be pursued by the grantee, the grant will be returned to Living With Hope immediately.
- All applications should be complete (see checklist below) and submitted by e-mail, in PDF format, to [research@lwhfoundation.com](mailto:research@lwhfoundation.com). Deadline: see website.

### **Checklist**

Have you enclosed ALL of the following?

- Application form.
- Motivation statement.
- Curriculum vitae.
- Letter of recommendation by the principle investigator.
